

SHORTCOURSE

Introduction to Formulating Cosmetics

17th of July 2026

Do you want to learn to formulate your own cosmetic products? Come and join us for a one-day introductory shortcourse.

Venue: Online (Microsoft Teams). Link will only be sent once POP has been received.

What you'll learn...

- Different types of cosmetic formulations
- Basic skin, hair and nail structure
- Formulation terminology
- Cosmetic ingredients and their functions
- How to interpret, scale and cost formulations
- Regulatory and product labelling requirements

Who will benefit?

- Aspiring entrepreneurs and formulators
- No scientific background or experience needed, however a high school degree is required.

Follow-up practical workshop:

- Creams and lotions workshop
- Surfactant-based formulations workshop
- Fragrance and essential oil workshop

Full Workshop Value: R 1 800 per person

This workshop is subsidised through the TIA Technology Station Programme for entrepreneurs and SMEs. Approved applicants receive a subsidy of R 1 350, reducing the final cost to: **R 450 per person.** Ask us for more information on how to apply.
